

ALTA LIGHT

The Alta Light is a versatile and portable light, ready for any situation. Arching over the competition with a long battery life, bright output and unique design, the Alta Light is a new solution to your lighting needs.

Overview

- IP65 Water Resistant
- Max Height above ground 14'
- Greater than 120° of Light Spread
- 5 tubes create an assembled length of 17.5'
- Tube diameter: 1 1/4 inches
- Case Dimensions (LxWxH) 45.75" x 7.75" x 4.5"
- Weight with case and ground stake: 12.3 LB
- Operating Temperature: -13 F to 158 F Humidity 10% to 90 %
- Storage Temperature: -40 F to 176 F Humidity 10% to 90 %
- Included: Hard Case, Light, Curved Extension, Ground Stake

LED Specs

- 6300 Lumens
- Three brightness levels
(Low: 33% Med: 67% High: 100%)
- Color Temperature: 6500K ±300K
- Color Rendering Index (CRI): >80
- 130 foot diameter illumination
- 360 LEDs with 40,000 hour lifespan

Battery Pack (1-DC)

- Run times on full charge:
High 4.5h, Med 6h, Low 12.8h
- 199.8 Watt Hour 11.1 V
18.0 AH Lithium Ion Pack
- Battery charge indicator
- 500+ Charge Cycles
- AC Charger included
- Light & Battery Base: 6.8lbs

Corded Adapter (1-AC)

- Rated Power 70 W MAX
- Input Voltage 100-277
VAC 50/60 Hz
- 6 foot cord
- Output Voltage 12.5 VDC
- IEC Protection Class 2
- Light & AC base: 6.1lbs
